

Are you looking after someone?

Jointly makes caring for someone a little easier, less stressful and a lot more organised by making communication and coordination simpler between those who are sharing the care.

Wakefield Council has teamed up with Carers UK to offer carers in our area free access to a wide range of online resources to help make caring easier.

Turn over for help on how to create an account and redeem your free access code:

DGTL7298

Sharing care is easier when you do it Jointly.
